

Fastpitch Masters Covid-19 Master Skills Camp Guidelines

All Fastpitch Masters Skills Camps will be operated with personal safety in mind. We are working with the facility and county/city officials to make sure that our Master Skills Camps follow all government guidelines set as of the date of the camp to allow everyone that attends an opportunity to enjoy the camp while in a safe environment.

Fastpitch Masters believes that there will be a time soon when all restrictions will be relaxed back to previous levels. Until that time arrives, we ask that everyone follow the below guidelines while visiting the facility.

Please note, that in addition to the below guidelines, all parents/guardians of under-aged participants are required to sign a Hold Harmless Agreement for the camp.

Fastpitch Masters uses several different venues to host our Master Skills Camps so all the guidelines may be slightly different depending on the specific facility you are at. Bear in mind that Fastpitch Masters may be tied to do anything that the facility sets as guidelines as of the day of the camp. Please be flexible and understanding as we work hard to provide a safe and enjoyable experience for the athletes!

Parents

1. Parents can sit and watch camp, provided they can find space that allows sufficient social distancing. We ask that you limit to only 1 parent per athlete with no siblings, when possible. Some facilities have maximum allowances. Some areas of the county are requiring masks be worn by all spectators. We will be bound to whatever the facility guidelines are as of the date of the camp.
2. Who should not visit the camp?
 - a. Anyone classified as “high risk” due to underlying health problems.
 - b. If you show signs of any illness, please stay home.
 - c. If you answer yes to any of the following questions:
 - i. Have you had contact with anyone in the past 14 days that has been diagnosed with COVID-19? ii. Have you had a fever, cough, or shortness of breath in the past 14 days?
 - iii. Have you or anyone in your immediate household been in contact with someone that has visited a restricted travel location listed by the CDC in the past 14 days?

Participants

1. Each athlete must provide their own equipment for the camp. This may include glove, softball, bat, batting helmet, catcher’s equipment, etc. **There will be no sharing of equipment at camp!** Public beverages may not be available at camp. Please bring your own water jugs!
2. PPE – Anyone wishing to use personal protective equipment (PPE) while at the camp will be allowed to do so provided it does not compromise the safety of the player or other participants. PPE may include masks, glasses, and gloves.
3. Sanitary needs – Athletes will need to have their own sets of hand sanitizer and anti-bacterial wipes to disinfect any playing equipment.
4. There will be no handshakes, high fives, or other physical touching, wherever possible.

Fastpitch Masters COVID-19 Cancellation Policy

- Fastpitch Masters does not cancel its Master Skills Camps. However, considering the current situation the Nation finds itself in, due to the COVID-19 pandemic, Fastpitch Masters recognizes that unusual circumstances may arise. We have the right to reschedule the camp within the same season (winter runs November 1 – February

15). If you cannot make the new date, we will send you a coupon code worth 100% of your paid value to be used at any future camp within 18 months.
